

## Renewing my mind: Big God *small* problems

**God is my provider.**

The Lord will provide because He is my Jehovah Jireh.

I will remember that he is the one who gave me the ability to produce.

I cannot do it on my own. I cannot do it without him.

The Lord is my shepherd. I will lack nothing.

He will prepare a table for me in front of my enemies, and my cup will overflow.

I will seek the Lord, and I will lack nothing because those who seek the Lord lack no good thing.

I will seek first his kingdom and his righteousness and all these things will be given to me.

I will not worry about life. Do the birds worry about how they will eat? Then why should I? Can I add even one hour to my life by worrying? So, why should I worry?

The word says ask, and it will be given to you. Seek and you will find; knock and the door will be opened.

So, I WILL choose to believe that if I ask the Lord, it will be given to me and that if I go looking for it, the Lord will allow me to find it. And if I knock on the door, the Lord will open that said door.

My father gives good gifts to those who ask him, and I am His child, so I know he is going to give me good gifts.

I will not be anxious about anything, but in every situation, I will go to him in prayer and petition and with thanksgiving in my heart, as I make my request.

The Lord will meet all my needs according to His riches and His glory in Christ Jesus.

He gave His only son, so I know He will give to me generously, graciously, and gracefully.

I know God can always bless me abundantly, so I will always have what I need.

I will abound in every good work that I do.

I will keep my life free from the love of money and be content with what I have because God has said, "Never will I leave you; never will I forsake you". So, with confidence, I will believe that the Lord is my helper.

I will not be afraid because again, He said, "never will He leave me; and never will he forsake me."

He loves me.

He LOVES ME!

He is my Jehovah Jireh. He is the God who provides for me. Lord, I thank you. For not only being MY Jehovah Jireh but also my Jehovah Shalom (peace), my advocate, my counselor, my friend, redeemer, my waymaker, my lily in the valley, my encourager, my wind, and sometimes my fire! Oh Heavenly Father, thank you for what you do to me, through me, and for me! In Jesus' name, Amen
